2012

Join us on March 2 at the Empire Landmark Hotel for the 2012 BC Pension Forum!

This is an important opportunity to have a discussion with union leaders, pension trustees, pension advisory committee members and pension activists along with investment managers, public policy makers and leading national thinkers about key issues and challenges surrounding pension plan governance, funding and investment issues.

Once again, SHARE will be offering a **Pension Boot Camp** on March 1, a great way of learning the basics about pension issues and terminology. This event has been designed for those that are interested in becoming more involved in the governance of their pension plans, or who have new responsibilities related to pensions and who have not yet received training in key areas including investment, governance, fiduciary duties and plan communication. A few specific topics that will be discussed are the elements of the Canadian Retirement System and the role of unions in plan governance and member engagement.

To get more information or to register for the 2012 BC Pension Forum, please visit us online at www.share.ca.

You can also fill in the registration form on the reverse side of this page and fax it back to the SHARE office at 604.408.2525.

Don't forget to register now for the Pension Investment and Governance Courses at the CLC Winter School!

From **January 23-27, 2012**, SHARE is once again set to run the Pension Investment and Governance courses in conjunction with the CLC Winter School at Harrison Hot Springs, BC. If you are a pension trustee, plan administrator or pension advisory committee member this interactive course will help you develop your skills in order to actively oversee pension investment and plan governance. By the end of this course, you will have more confidence and be more capable and effective in fulfilling your duties to plan members and beneficiaries in a financially prudent and responsible manner.
