

GORDON CAMPBELL ISN'T LISTENING!

Tax profits not people!

Gasoline prices have skyrocketed 31% in the last year while corporate profits soar. Now is the time to cancel Campbell's gas tax and put a windfall tax on oil company profits. **PEOPLE ARE HURTING BUT ... CAMPBELL'S NOT LISTENING.**

Kill obscene pay increases!

Gordon Campbell raised his own salary by 54% and senior bureaucrat's wages by up to 43%. **PEOPLE ARE OUTRAGED ... CAMPBELL'S NOT LISTENING.**

Raise the minimum wage to \$10 now!

Gordon Campbell and the Liberals have frozen the minimum wage at \$8 an hour for seven long years. **BRITISH COLUMBIANS OVERWHELMINGLY ENDORSE A \$10 MINIMUM WAGE BUT ... CAMPBELL'S NOT LISTENING.**

SEND HIM A MESSAGE HE CAN'T IGNORE!
