

President's Poker Run

Sunday, July 18th

Come to the COPE 378's President's Poker Run on Sunday, July 18th. This unique event mixes some of the best elements of summer - cool bikes, cars and sunshine - into a family-friendly fundraiser for the United Way of the Lower Mainland.

Participants are encouraged to join the poker run with their best and brightest ride, family vehicles and passengers of all ages. Registration will take place between 9:30 and 10:00 am at Fraser Foreshore Park in Burnaby.

Pre-register online at: <http://www.cope378.ca/presidents-poker-run>

The Poker Run is a simple combination of a car rally and a poker hand. The entry donation (or ante) for each poker hand is **\$10**.

Participants will register at Fraser Foreshore and pick a map of the route with four stops along the way. At each stop, they will pick up a card. The route ends where it began, at Foreshore Park, where participants will pick up their last card. They will then have the chance to evaluate their hands and decide whether or not they want hold, or buy a final card for **\$5**. The highest hand wins \$100 and the lowest \$50. All other proceeds raised will go to the United Way of the Lower Mainland.

The Poker Run will wind through the most picturesque routes in the Fraser Valley for about three hours and end with a picnic and a classic car and motorcycle show. There will be a barbeque and refreshments at the final stop, back at Fraser Foreshore Park. The barbeque is by donation and all are welcome, not just Poker Run participants. There's a playground close by for the kids.

The Poker Run will be an exciting treat for the whole family, while raising funds for a great organization that does important work. The United Way of the Lower Mainland provides much needed social services to families, children and individuals. The UWLM also acts as a fundraising portal for many not-for-profit social service organizations in Metro Vancouver. COPE 378 is proud to be a long-time supporter of the important community work done by the UWLM and eager to continue this support by making the President's Poker Run a fulsome success.
